## Critique and Limitations of Undercover

While Undercover provides important insights, it is not without its weaknesses. One of the primary limitations noted in the paper is the restricted sample size of the research, which may affect the generalizability of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to address these limitations and explore the findings in broader settings. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, Undercover remains a significant contribution to the area.
