Critique and Limitations of Who Are You

While Who Are You provides important insights, it is not without its limitations. One of the primary constraints noted in the paper is the limited scope of the research, which may affect the generalizability of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to

address these limitations and test the findings in broader settings. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations, *Who Are You* remains a valuable contribution to the area.
