User feedback and FAQs are also integrated throughout Discipline In Management, creating a dialogue-based approach. Instead of reading like a monologue, the manual responds to common concerns, which makes it feel more attentive. There are even callouts and side-notes based on field reports, giving the impression that Discipline In Management is not just written *for* users, but *with* them in mind. It's this layer of interaction that turns a static document into a user-aligned tool.
