One of the primary constraints noted in the paper is the restricted sample size of the research, which may affect the applicability of the findings. Additionally, certain variables may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to address these limitations and investigate the findings in different contexts. These critiques are valuable for understanding the context of the research and can guide future work in the field. Despite these limitations,
