## Critique and Limitations of Guide To Business Analytics

While Guide To Business Analytics provides useful insights, it is not without its shortcomings. One of the primary challenges noted in the paper is the narrow focus of the research, which may affect the universality of the findings. Additionally, certain biases may have influenced the results, which the authors acknowledge and discuss within the context of their research. The paper also notes that more extensive research are needed to address these limitations and explore the findings in larger populations. These critiques are valuable for understanding the framework of the research and can guide future work in the field. Despite these limitations, Guide To Business Analytics remains a critical contribution to the area.
