## Methodology Used in Star International Academy

In terms of methodology, Star International Academy employs a robust approach to gather data and interpret the information. The authors use qualitative techniques, relying on surveys to obtain data from a sample population. The methodology section is designed to provide transparency regarding the research process, ensuring that readers can evaluate the steps taken to gather and process the data. This approach ensures that the results of the research are trustworthy and based on a sound scientific method. The paper also discusses the strengths and limitations of the methodology, offering critical insights on the effectiveness of the chosen approach in addressing the research questions. In addition, the methodology is framed to ensure that any future research in this area can expand the current work.
